ISRAEL SECURITIES AUTHORITY

Memorandum of Understanding
between the
New Zealand Securities Commission
("NZSC")
and the
Israel Securities Authority
("ISA")
on the
Exchange of Information and Surveillance
of Securities Activities
2005

The NZSC and the ISA (hereinafter "the Authorities"),

Considering the increasing internationalism, harmonisation and interdependence of financial markets and the need for the strengthening of cross-border co-operation to facilitate the proper performance of supervisory functions and the effective enforcement of the Laws and Regulations governing the markets;

Considering that this will promote the integrity of financial markets and enhance investor protection;

Considering that such approach entails the sharing of different types of information given the various duties vested in the Authorities;

Considering that the most expedient way to achieve a necessary consensus is a Memorandum of Understanding;

Considering that the NZSC is a signatory to the International Organization of Securities Commissions (IOSCO) Multilateral Memorandum of Understanding (MMOU) and the ISA has applied to become a signatory to the IOSCO MMOU, the NZSC will continue acting in furtherance of its IOSCO commitments in relation to the MMOU, and the ISA will be obligated to refrain from acts which would defeat the object and purpose of the MMOU. This bilateral Memorandum of Understanding is not intended to supersede these commitments in relation to the MMOU. This bilateral Memorandum of Understanding is otherwise endeavoring to address issues specific to the relationship between the Authorities.

Have thus reached the following understanding:

Article 1 - Principles

5. If it appears to the Requested Authority that the response to a request for assistance under this Memorandum of Understanding will incur substantial costs, the Requested Authority may call for the establishment of a cost sharing arrangement before continuing to respond to such a request.

 - a. securing compliance with or enforcement of the domestic Laws and Regulations specified in the Request;

If this information is used for the purpose of initiating, conducting or assisting in a criminal procedure, it must obtain the prior written consent of the providing Authority.
3. To the extent permitted by law, each Authority will keep confidential any request for assistance made under this Memorandum of Understanding, the contents of such requests and the information received under this Memorandum of Understanding as well as any matter arising in the course of its operation, in particular consultations between or among the Authorities, and unsolicited assistance. After consultation with the Requesting Authority, the Requested Authority may disclose the fact that the Requesting Authority has made the request if such disclosure is required to carry out the request.

4. If an Authority intends to use or disclose information furnished under this Memorandum of Understanding for any purpose other than those stated in this Article and in the request, it must obtain the prior written consent of the Authority which provided the information. If the Requested Authority consents to the use of the information for purposes other than those stated, it may do so subject to conditions.
5. Nothing in paragraphs 1 and 2 of this Article shall prevent an Authority from using or disclosing information in circumstances where such use or disclosure is required in order to comply with its obligations under its respective national Laws and Regulations.
6. If an Authority decides to make public an administrative or a disciplinary sanction within the course of its duties, it may, with the consent of the Authority providing the information, indicate that the successful outcome of the case has been achieved with the aid of the international co-operation mechanisms provided for in this Memorandum of Understanding.
